

## Minor in Sexuality Studies Advising Form

The sexuality studies minor consists of 18-20 units of undergraduate study. Please contact the department of Sociology & Sexuality Studies to meet with the Sexuality Studies Undergraduate Advisor to officially declare the Minor. Students can enroll in the final course in the Minor (SXS680 Colloquium in Sexuality Studies) only after completing all other Minor requirements, so please plan your schedule accordingly.

| Course #                                                                                                                              | Course Title                                                    | Units | Offered            | Notes |
